Subject: Revisions to Gunnison Draft Permit
Gunnison ISCR project draft permit 9-18-17 update redline copy 92717.docx

Hi Nancy,

The revisions and additions to the permit language we discussed on Tuesday are incorporated in the updated redline version attached to this email. There are a few changes that we did not discuss yesterday, but I believe are appropriate for consistency and clarification.

If you have any questions or comments, please let me know.

Thanks,

Jim
